EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.
2. The application has been amended as follows:
3. Claims 20-37 (previously withdrawn) are canceled to put the application in condition for allowance.
4. In Claim 1, "...splicing a primary-first-optical-circulator output port to a first 50:50 6 coupler input port of a 50:50 coupler..." is amended to read, "...splicing a primary-first-optical-circulator output port to a first 50:50 coupler input port of a 50:50 coupler..." The inclusion of the numeral "6" appears to have been a typographical error.
5. Further in Claim 1, "...employing a secondary-second-optical circulator output port as a 12 second-optical fiber output port..." is amended to read, "...employing a secondary-second-optical circulator output port as a second-optical fiber output port..." The inclusion of the numeral "12" appears to have been a typographical error.
6. Further in Claim 1, "...allowing interference products of said reflected signals to propagate 23 back toward said first and second optical circulators..." is amended to read, "...allowing interference products of said reflected signals to propagate back toward said first and second optical circulators..." The inclusion of the numeral "23" appears to have been a typographical error.

7. In Claim 3, “The method for processing an optical communications signal as 2 recited in claim 1, wherein said step of allowing comprises allowing 3 interference products...” is amended to read, “The method for processing an optical communications signal as recited in claim 1, wherein said step of allowing comprises allowing interference products...” The inclusion of the numerals “2” and “3” appear to have been a typographical error.

8. In Claim 11, “... a first optical fiber, having a first optical fiber length coupled to said 18 first 50:50 coupler output port...” is amended to read, “... a first optical fiber, having a first optical fiber length coupled to said first 50:50 coupler output port...” The inclusion of the numeral “18” appears to have been a typographical error.

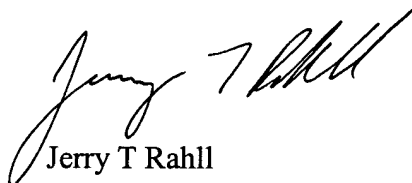

9. Claim 13 is amended to read, “The apparatus for processing an optical communications signal as recited in claim 12, utilized as a wavelength division multiplexer / demultiplexer.” The inclusion of the numerals “2” and “3” appear to have been a typographical error.

10. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Jerry T Rahll whose telephone number is (571) 272-2356. The examiner can normally be reached on M-F (8:00-5:30), with alternate Fridays off.
